

We've got you covered.

The days of news clipping services and scouring the airwaves for a brand mention are dead. Social media is quickly becoming one of the most widely used mediums today, which means the conversation surrounding your brand is happening right now. Don't wait to find out what people are saying about your brand. We stay in front of the conversation, so you don't fall behind it.

About ICUC

Since 2002 we have been leading the industry in social media moderation services, intelligence and social management strategy. We live online everyday, all-day. You can be confident that we will protect, and secure your brand while engaging, listening and learning from your customers. Who we are is what we do.

Social Media Monitoring

Listening and engagement are two key principles to our social media monitoring solution. Using a comprehensive set of listening and engagement practices, our experts are everywhere, ensuring you're not missing the conversation. So sit back, relax and take a load off. Let us be the eyes and ears for you.

- Complete coverage of social platforms such as Facebook, Twitter, YouTube and LinkedIn
- Thorough measurement of sentiment, engagement, comments and links
